Coming Events

The Anglican Ladies Guild will hold their annual Bazaar on December 5th. Donations from friends may be left with any member of the Guild or at Lambert's Drug Store. 212u

The Ladies Aid of Sacred Heart Church, Strathmore, are having a tea and pantry sale in Shrimpton's old store on Saturday, November 28th. 25-11u

A twoact play by the Junior Bluebird Club, Union Church, will be played on Wednesday, December 2nd, at 8 p.m. Admission 55c, children 10c.

A meeting of the Strathmore Ladies' Carling Club will be held at the residence of Mrs. E. N. Hilday at 3 p.m. on Friday, November 27. All those interested please attend.

MR. A. J. BRACE HERE ON DECEMBER 3

On the evening of Thursday, December 3, Mr. A. J. Brace, of Chicago, will speak in the United Church at 7:30 o'clock. Mr. Brace has had great experience as a traveler and soldier and he is a missionary of the United Church. Don't fail to hear him if at all possible. His lecture will be illustrated with lantern slides.

AT THE MOVIE

Either Ralston and Ford Sterling are featured with Miss Vidor and Moore in "The Trouble With Wives," which offers one solution of the popular problem at the Memorial Hall Saturday. Supporting players include Rita Lee, Edward Kennedy, Lucy Tauson and William Courtwright.

Everyone interested is invited to a School Fair meeting, to be held in the school buildings on Friday evening of this week. Mr. Benn, School Fair organizer, will be present. Be sure to come and help to make this meeting and next year's school fair a success.

Want Main Highway 'Straight East'

Deputation Goes to Edmonton
A deputation, including representatives from the towns and districts of Strathmore, Rockyford, Hussar, and Standard, left for Edmonton yesterday with the object of putting before the Government the proposition that the main highway, instead of turning south at Strathmore as at present should run straight east until north of Gleichen, and then turn south.

The deputation's claim is that this would not increase the distance between Calgary and Gleichen, but that it would save a much more heavily populated territory than at present, giving highway facilities to Standard, Hussar, Rockyford, and other points. The present road has the Indian Reserve on one side of it, and does not serve anything like the same number of people.

During the past two months the government has had a crew of engineers surveying the road between Inverhale and Namaka for the new highway that is to be built under the arrangement between the Provincial and Dominion Governments for a 28-foot wide standard travelling highway.

CHORAL CONCERT DECEMBER 11
For the past two months the Strathmore Choral Society, under the direction of Mr. C. A. Lydall, have been rehearsing steadily for a choral production, which will be given in the Memorial Hall on December 11th. Mr. Lydall has the choir now in fine training, and a musical treat is promised. The proceeds are for the benefit of the Memorial Hall Fund.

To Spelling Tournament at Carseland will be held a week from Friday, November 27th. Considerable interest was shown in this tournament last year, and it is hoped that sufficient interest will be shown to make it a growing attraction. If you can help to take contestants to Carseland from any of the schools your offer will be greatly appreciated.

Greenfield Resigns

PREMIER GREENFIELD RESIGNS
The resignation was announced on Monday of Hon. H. H. Greenfield, Premier of the Province of Alberta since 1921.
The new Premier is Hon. J. E. Brownlee. Hon. George Hoodley takes the portfolio of Provincial Secretary and Hon. B. C. Reid the portfolio of Municipal Affairs.

VOTING ON STOCK BYLAW

On December 14th voting will take place in Division 5 and 6 on the bylaw of M.D. Keoma prohibiting the running of stock at large. The bylaw is being made to the staff of Strathmore Exchange of the shield for the most beautiful exterior of any exchange in the province.

The presentation will be made by Mr. R. B. Baxter, General Manager of the Telephone system, and other officials of the system who are expected to be present are Messrs Alex Mitchell, Auditor; J. D. Baker, plant superintendent; W. C. Bruce, traffic superintendent; and W. Frost, district manager.

Heavy Penalty for Wife Assault

Before His Honour Judge Winter on Monday, Joseph Foster, who was committed for trial by the Strathmore J.P.'s two weeks ago, and has since been in prison in Calgary, was found guilty of wife assault.

The prosecution was conducted by Mr. James Short, K.C., Crown Prosecutor and Mr. T. M. Wears, with Mr. J. J. Pettie for the defence. Evidence was given by Mrs. Foster, Dr. Moore, and Soren Sorenson. Without calling for further evidence, the Judge was satisfied that an assault had been committed on Mrs. Foster, and severely reprimanded the accused, stating that although he might have not away with this sort of thing in his homeland, he could not do so here. He was sentenced to pay a fine of \$50, or in default to go to prison for three months, also to find \$500 for his good behaviour for the next year, along with two sureties of \$150 each, or one surety of \$300.

Telephone Shield Presentation Dec. 1

Subscribers Invited To Social Function In Memorial Hall.

The Strathmore staff of the Alberta Government Telephones are issuing an invitation to all subscribers from the exchange to attend a social function to be held in the Memorial Hall on the evening of Tuesday, December 1st, at 8 p.m. when the presentation will be made to the staff of Strathmore Exchange of the shield for the most beautiful exterior of any exchange in the province.

The presentation will be made by Mr. R. B. Baxter, General Manager of the Telephone system, and other officials of the system who are expected to be present are Messrs Alex Mitchell, Auditor; J. D. Baker, plant superintendent; W. C. Bruce, traffic superintendent; and W. Frost, district manager.

The expense of the function is being borne by the local staff, and it will take the form of a social evening and dance. Ladies are asked to bring refreshments. Miss Horton will be in charge of the tables. Cards will be provided for those who do not dance.

The staff hope that every subscriber will find it possible to attend, and they are going to do their very best to ensure them a good time.

The staff are entitled to much credit for their public spirit, both for the work entailed in beautifying the grounds of the phone office, and for putting on this function in connection with the presentation.

XMAS EDITION
The special Xmas colour edition of the Standard will be issued December 10th, with many appropriate features. Look out for it. You will find Xmas store features in every issue of the Standard from now till Xmas.

Hugh Miller, Irricana Conservative Nominee

Largely Attended Convention at Strathmore Monday.

On Monday afternoon a well-attended meeting was held in the Memorial Hall, Strathmore, for the purpose of selecting a candidate in the Conservative interest in the Provincial House for the riding of Gleichen. After a vote the choice of the convention was Mr. Hugh Miller, well-known farmer and business man of Irricana. The meeting was also addressed by Dr. Stanley, ex-M.L.A., Mr. Fred Davis, newly-elected M.P. for East Calgary, and Mr. W. J. Douglas, Conservative candidate for Bow River in last election.

Executive Elected

Officers for Gleichen Riding Conservative Association were elected at following:
Hon. President—A. McGillivray, K.C. Hon. Vice-President—Fred Davis, M.P. President—H. W. B. Bell. Vice-President—Dr. Denovan. Secretary—A. N. Lindsay.

A large executive was also elected, including men and women from all points in the riding.

Mr. Davis spoke on the question of election law. The membership fee was finally set at \$1.00. Dr. Stanley estimated the expense of an election at between \$200 and \$500, but said that in addition the candidate would have some expense to bear himself.

Nominations

The following names were then put in nomination:
W. J. McElroy, Chestermore Lake; Dr. Denovan, Rockyford; Geo. Thurston, Nightingale; Hugh Miller, Irricana; Harold Bell, Strathmore.

Messrs Thurston and Denovan insisted on their names being withdrawn. Mr. McElroy also wished to have his name withdrawn but was prevailed on to let it go to no avail. On the first ballot no candidate had a clear majority, but on the second ballot, Mr. Miller was declared elected, and the

nomination was thereupon made unanimous.
Mr. Miller, in thanking the Convention for the nomination, said he felt very proud at the honour done him. He would do his very best to carry the Conservative banner to victory in the forthcoming election, and asked for their hearty support. While some of them around Strathmore might not know him well, he was no stranger here, having shipped cattle from this point in 1905, when the town was not in existence. He took the opportunity of congratulating the people of Strathmore on their beautiful Memorial Hall, which did them great credit.

David Speaks
Mr. Fred Davis took the opportunity of commenting on the fine choice of candidates that were before the Convention. Any one of them would have made fine representatives in Parliament. He had been well acquainted with Mr. Miller for many years, and had the greatest respect for him. He would be glad to vote in favour of the people in the district where he lived.

Mr. W. J. Douglas, Conservative candidate in the recent Federal election, said that he was glad to be in Strathmore, and to thank the people of the town and district for the splendid support they had given him. He had come here an utter stranger, but Strathmore had given him one of his best majorities in the riding. He would be glad to do anything he could to help elect Mr. Miller.

Dr. Stanley on Provincial Matters
Dr. G. D. Stanley, ex-M.L.A., gave a short address, dealing with Provincial matters. He predicted that when the next election was held, it would be a veritable landslide for the Conservative Party, headed by Mr. McGillivray. His object in speaking here was to give them some information on the affairs of the Province.

From the time the Province accepted autonomy in 1905 until now on the outstanding Provincial issues the Conservatives in Edmonton had been consistently right in their contentions and the Liberal Government, which had office from 1905 till 1921, had been consistently wrong. Wrong in the terms they had accepted autonomy, in telephone, railways, etc. They had landed the Province in the bad financial position it was in today. The Greenfield administration had not relieved the situation whatever.

No people had ever carried a heavier burden of debt than the Canadian people carried today. In Calgary, for instance, each man, woman, and child carried a debt of \$240, which meant interest at the rate of \$45 per year.

Provincial Debt
The debt of the Province at June 30 of this year, including the University was over \$87,000,000. Most of the burden had been put on by the Liberal Government, but the Greenfield Government had still further added to it. The railway promotion schemes fostered by the Liberals accounted for \$31,000,000, and there would be a loss to the Province every year in the lifetime of the present taxpayers of from a million and a quarter to a million and a half. While our debt was increasing, our population was not increasing in the same proportion.

Dr. Stanley said that the "Why's" of the situation were that we were losing large sums annually by not having control of our own natural resources. The reason for the railway situation was that the Liberal Government in the building of them had allowed cold-blooded thievery. Huge sums had been spent on telephone poles by the Liberals which had reduced (Continued on another page)

Standard Notes

There were a great many Standard visitors to Calgary last week, some going by car and others by train. Among them were: Mr. and Mrs. E. A. Wagner, Mr. and Mrs. John Peterson, Dr. and Mrs. D. A. Fletcher, Mr. and Mrs. Elmer Wirt, Mr. J. P. Hansen, Mr. and Mrs. A. L. Williams and family.

Mr. Henry Larsen left last Tuesday for Winnipeg, where he is attending the United Grain Growers' convention.

Mr. and Mrs. Emil Lund left on Sunday for the "old country", where they will spend the winter months. Mr. S. Bording and Mr. Theodore Bording also left on Saturday for Denmark. The party sail on November 28th on the S. S. Hellig Aal, from Halifax.

The Danish Ladies Aid Bazaar was as usual, a remarkable success. A large number were present, and the sewing and fancy work found ready purchasers. Coffee was served in the afternoon, when many dropped in for a chat and refreshments. The ladies have every reason to feel gratified by the results of the afternoon.

Don't forget the Women's Institute dance on November 27th. Come and help the good work along.

The grain is coming in rapidly these days, in every direction a continual stream of grain tanks may be seen wending their way to "Elevation Road". Nearly all the threshing outfits have pulled in after a trying autumn's work. The grain threshed just recently is a much better grade on the average than that threshed earlier in the fall.

Gay was the scene of the S. & S. Hall last Friday night, when dainty French maids, droll nobles, shy harem girls, drunk sailors bore, weird chaps and laughing Spanish first prize. And many others tripped the light fantastic to the strains of music supplied by the Chatterbox orchestra. All were merry at last week's masquerade, and the costumes were so numerous and original that the judges work was very difficult indeed, finally, however, after the grand march, Miss Cordie Peden

Rosebud News

The Rev. Mr. McDonald, of Calgary, who has been conducting the services at Rosebud Church for the past month, gave a very interesting sermon on Sunday evening last. The congregation is eagerly looking forward to next Sunday's discourse, which will be on "The Single Life".

The Rev. Mr. Pale, of Hants, will give a lecture and lantern slides from the famous "Passion Play" on Tuesday evening at the church.

Miss J. W. McCallum entertained the members of the Ladies Aid at her home on Thursday last, and the evening proved very interesting. These energetic women of the community have been very busily engaged for the past two months preparing quilts, aprons, dolls, and fancy work for the church bazaar, which is to be held on Saturday, December 5th. A turkey supper will be served on the same date from 4 to 8 p.m., and the ladies earnestly request the co-operation of all the people of the district to make the affair a success. They will be most grateful for any help in the way of cooking or articles for sale.

The McCullum family were the guests of Mr. and Mrs. J. W. McCallum on Sunday for dinner, and a reunion of old friends.

MANY USE PHONE SERVICE

Since the inauguration of the coin telephone service (from Alberta, the commercial end of the service has developed rapidly, and many calls are now being put through every week for points as far east as New York and Montreal. The bulk of the traffic is however for points on the Pacific Coast, and in the western and middle states.

was awarded first ladies prize, which was an Estienne. She was dressed as a Turkish girl. Mr. Tommy McLaughlin carried off the beautiful smiling girl which was the gentleman's first prize. He represented a dainty blonde. Mr. A. V. Smith is his comic negro garb created much merriment, and was successful in winning the gentlemen's first prize. Mrs. Lott was a negro lady, won the ladies comic prize. A large crowd was in attendance, many coming from Hays and Chandler.

Threshing Over

Yields Have Been Good. Prices Rising.

With the exception of some isolated pieces in the vicinity of Ardmore and Nainburg, threshing is now completed. The good weather of the past month has been a godsend to every body. While there has been a loss on account of rough grain and reduction of grade, caused by the bad weather following harvest, the price has increased sufficiently during the interval to counterbalance this.

A number of farmers are holding their grain in their own granaries, hoping to dry it themselves. Much of the grain now coming in is taking straw to dry, and the proportion of tough grain will be less now.

While we have not got the figures from many of the farmers, the yields generally are good. Mr. W. E. Juhn had an average of 23½ bushels over all his crop, one piece of 125 acres averaging 29 bushels. Oats threshed by Hiss Bros. for Mr. Girard averaged 73 bushels to the acre. Mr. Frank Skeen's summerfallow ran very close to 40 bushels. After suffering hail damage estimated at 20 per cent. Mr. James Martin threshed 180 acres that yielded 31½ bushels to the acre.

The record for the district, so far as we know, is still held by Mr. L. F. Pinkerton, as published some weeks ago, of 56½ bushels wheat per acre on 24 acres.

We would be glad to have for publication, authenticated figures of grain yields. Many of our readers are located in the U.S.A., and in Eastern Canada, and are much interested in the productive capacity of the district.

H. C. FARTHING

District Representative
SUN LIFE ASSURANCE CO. OF CANADA.
Standard, Alberta

Carseland

We wish to say that the Carseland news was mailed last week at the usual time, but the editor informs us the home did not reach the office until so late for publication. We regret this very much on account of some important notices of activities held last week. We know regret to recommend the damage, but we did not part.

On last Thursday evening Mr. F. V. Cook delivered at the church to a full house, a lecture on Social Hygiene. After the talk the lights were extinguished and moving pictures were shown, illustrating in a very graphic way, the subject of the lecture. Mr. Cook presents and discourses on a very delicate subject in an unobtrusive, and masterly manner showing much preparation and a thorough understanding of the subject. Social hygiene, a subject with which every individual should acquaint himself in order to guard against the dangers of becoming infected, a thorough understanding of the appalling nature of certain diseases, and the lasting effect if not properly treated. Mr. Cook shows much tact in presenting this subject to his hearers, and when the opportunity affords itself people should make a special effort to hear him.

The moving pictures are exceedingly instructive, leading color to the lecture and driving home the facts as no amount of talking could do. The lecture is not delivered to mixed audiences, but separate meetings are held for women and men, and we have no hesitancy in recommending this lecture to all. The service supplied free of charge by health and hygiene department of the Provincial Government.

Mrs. Jamieson reported sick the last week. At time of writing is some improved.

The U.F.A. held a meeting last Saturday. Some business was held over until the next meeting, to be held on December 12. Don't forget the date.

Rev. Johnson, Mrs. Johnson and sister spent a few days in Calgary last week.

The bazaar and tea held in the school house last Saturday by the Ladies Society, was a huge success. A very large amount of Saturday designed and beautifully finished fancy work was on display; practically all of which was sold. The magnificent sum of \$151.98 was realized.

Quite a number of Carseland people were in Calgary last week.

We have been missing our friend from Baintree. Must have gone to hunt the bull dog and goat.

Jim Nelson and family left in their car for California last Thursday.

Quite a number of U.F.A. members have suggested holding a social evening and radio dance for members and friends in the near future. Not a bad idea.

The Altar Society of the Catholic Church at Carseland wish to take this opportunity to thank all those who helped to make their bazaar such a splendid success. We would especially thank the school board for the use of the basement room; the Union Church for the offer of the use of their church, and all of those who contributed so generously to the bazaar.

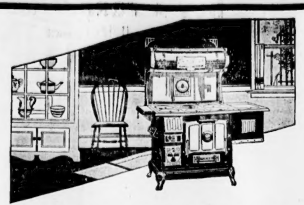

The new buildings in town are progressing very nicely these nice days, and some day Carseland is going to have three very fine new business blocks.

If we are to believe the Albertan, the farmers' government is not only without a leader, but is also ignoring the government-general. Politics is a wonderful game.

Berta Vale

A most successful shower for the Junior Red Cross Hospital, Calgary was held at Berta Vale school on Friday, November 20th. The members of the following families conferred with the following families: Mr. and Mrs. Reynolds, Taylor, Barry, Proffitt, Daney, Dockery and Ross.

Planning a list of numbers, who have joined the Junior Red Cross: Albert, Stanley, Victor, Wallace, Harold, Thomas, Henry and Pearl Reynolds, Hilda, Nellie, Edith, Edith and Jack Galspin, Audrey, Baby, Fern, Milton and Lyle Daney, Isabelle, Billy and Bibby Dunn, Melvin, Earl, Ches-

"I Say, Mumsy--What's The Bloomin' Idea?"

It's a hard little babies lead. Here's a young "Englisher" having the Order of the Bath conferred upon him with out its being asked for. And the way he's tying his face into a knot, it doesn't look like he's overjoyed with the honour. Who would be to have water unexpectedly dashed down the back of one's neck?

The real story here, however, is about the photograph. It took a prize of \$200 offered by a London newspaper. The youngster is Baby Owen of Prostatyn, England, and the picture was snapped by his father just as the little one was receiving the watery accolade.

It sure is enough to get a smile out of anybody—a regular "story without words!"

There are any others who wish to join them they please notify secretary A. Reynolds!

CANADIAN PACIFIC PRESIDENT AND DIRECTORS MAKE TOUR OF WESTERN CANADA TO COAST

From left to right: F. W. Meighen, C.M.G., Senator Beague, K.C., Lord Shaugnessy, E. W. Beatty, Sir Herbert Holt, Ross H. McMaster, W. N. Tilley, K.C.

Surrounding E. W. Beatty, chairman and president of the Canadian Pacific Railway, are a number of the directors of the system grouped on the Observation Car of the train about to start for Toronto from the Windsor Station. Mr. Beatty spoke at the Toronto Exhibition on the occasion of "Transportation Day" and then went on an extended tour of inspection over the C.P.R. western lines. His itinerary was by way of Winnipeg, Saskatoon, Edmonton and Calgary to the Rocky Mountains and on to the Coast and Vancouver Island where a trip was made over the Pacific and Northern Railway to Port Alberni and Great Central Lake, the terminal of a new stretch of that railroad which has just been built to open up important lumbering areas. Speaking of general conditions on his return from the trip, Mr. Beatty said a very marked improvement was evident as compared with what had existed when he last went across the continent. The spirit of the people was much more optimistic and he thought with very good reason. The movement of grain had gone forward extremely well. The railways were never in better shape to handle the crop and Canadian Pacific shipments from Vancouver to the head of the Lakes had created a record. There was, Mr. Beatty added noticeable throughout the country a sustained interest in the important matter of immigration and a more general realization

of the fact that therein lay the soundest remedy for most of Canada's difficulties. The announcement made at Edmonton by President Beatty of a fuller program of co-operation between the government and the railways looking to an acceleration of the movement of settlers to Canada had apparently been well received as an indication of real progress in this direction, and Mr. Beatty was hopeful that next year's results would be much better than for some years past.

At the Rocky Mountains resorts and the coast Mr. Beatty stated that the tourist business was assuming tremendous proportions and the Rockies were fast growing in popularity with American and European travellers, while tourist traffic up and down the coast had been heavy, the two new tourist steamers, Princess Kathleen and Princess Margaret, added to the Canadian Pacific fleet, having been exceedingly well patronized. Improvements were in hand at the Banff Springs Hotel and Chateau Lake Louise for the coming winter.

Throughout the trip Mr. Beatty was accompanied by Sir Herbert Holt, F. W. Meighen, Ross H. McMaster, directors of the company; F. E. Meredith, director of Canadian Pacific Steamships; and by John W. Hebb, director of the Imperial Bank. Dr. J. W. Hebb, vice-president A. D. Macfarlane accompanied the party, while D. C. Coleman, vice-president of western lines, was present from Fort Williams west.

BUY A FORD

And Save the Difference

You know that when you buy a Ford Car that you are getting value for your money.

You know that none of the lower-priced cars can compare with the Ford in quality or price.

You know that when you own a Ford you can get immediate repair parts anywhere at a reasonable cost.

You know that we have one of the best equipped repair shops in our territory for your exclusive use.

You know that we employ only the best mechanics so you can be assured of expert repair service.

You know that our Parts Department is one of the most complete you will find anywhere and we pride ourselves on being able to give you immediate service.

You know that we carry only Genuine Ford Parts, quality merchandise and standard accessories in stock, and we sell them at regularly advertised prices.

You know that we appreciate your business and that our interest in you and your car does not cease after we have made a sale.

Think this over. Can you afford to buy a car of another make when you know that the upkeep, cost of parts, in fact everything, will be much higher?

Irricana

On Thursday evening, November 12th, the Irricana and District Ladies Aid, held their annual fall supper, sale of work, and concert. Despite the busy season, nearly everyone turned out in response to the ladies' efforts, and enjoyed the sumptuous supper and entertaining concert. The net sum realized being around \$275.00.

Our new school is coming along nicely. Mr. Schubert, the contractor, taking every advantage of the fine weather. The site appears to have been well chosen, being a decided improvement to the town and district. It is anticipated it will be completed by January 1st.

Threshing has been the order of the day lately with the farmers. By Nov. 21st most of them will be cleared up for 1925. Due to much poor weather, most of the grain has graded "rough," No. 2 tough, and some as bad as "dumpy." Very few being far enough to get straight grades. The average yield reported seems to be around 20 bushels, occasionally some reports 25 on summerfallow.

We are glad to report that Mr. A. Waddock, our genial C.N.R. agent is again on the job, having recovered from an attack of the flu.

Mr. Emile Deschamps is recovering from an operation, having had his tonsils out recently.

The Oddfellows are holding their annual roll call and anniversary on November 29, in connection with a social evening and banquet.

Mr. Addison Scratch, of Lethbridge, Ontario, who has spent the last two months visiting with his Uncle, Mr. A. C. Scratch, left last week for Vancouver to visit other relatives.

A number of the brethren listened to a sermon over the radio given by Rev. Mr. Al at the home of Mr. and Mrs. James Stout last Sunday.

A few of the Irricanaites attended the supper and concert given by the Ladies Aid at Beiseker. A good time was enjoyed by all.

The school children are very busy practicing for the Christmas entertainment.

Miss Elsie Scratch spent a few days in the city visiting with her sister, Miss Velma and Marjorie Scratch.

Mrs. Martin and daughters, Edith and Bernice were Calgary visitors this week.

Beiseker Notes

On Thursday, November 12, the Ladies Aid of the Beiseker Union Church held a very successful bazaar, chicken supper and concert. The Beiseker Hall was filled, large numbers being present from neighboring towns, as well as the people of Beiseker, who turned out in masses, judging from appearances, and the marvelous way the chickens disappeared everyone seemed to be enjoying the evening. More than \$225 was realized. On Friday evening, November 20, the Oddfellows of Irricana Lodge No. 84, to which our Beiseker three-linkers belong, held their anniversary supper, programme, and dance in the L.O.O.F. hall at Irricana. In addition to consuming the largest turkey ever seen in the district, the Oddfellows and their friends enjoyed a very pleasant programme. A feature of the evening was the talented contributions of two very young ladies of Calgary, in elocution and dancing.

Craigantler News

Threshing is finished in this district, and the weather is of the best, but it is better to have it over with. Jessie Grant had the misfortune to be thrown from her horse while going to school last week, and had her arm broken at the wrist. She is under the care of Dr. Parquharson, and is progressing favourably.

Mr. E. Mor, of Deer Lodge, Montana, was a visitor with H. Grant of the Deer Lodge farm last week. Mr. Mor and Mr. Grant are both interested in farming in Alberta.

The roads are very good for wheat hauling, and every farmer is taking advantage of the good weather. We hear that J. K. Crisp has moved again. The next week will likely be back to Alberta, as quite a number has done in the past.

There are no such yields as 50 bushels in Craigantler district Jack. Laverdieu says he had 60 on an acre so, but the rest reduced the yield to 50 or 55.

Chris. Hansen and family, from Gleichen were visiting with their son, Andy, on Sunday last.

Social Register

Information has been received that Ole Johnson, son of Mr. and Mrs. Ole Johnson, was seriously injured while working in California some time ago, falling 200 feet down a mountain side. He is now out of hospital, but will not be fit for active work for some time yet.

This afternoon and evening a lecture is being given by Mr. Fred Cook in the United Church on "Health and Hygiene," under the auspices of the Provincial Department of Health.

Mr. and Mrs. A. Van der West, who have been on their farm during the summer, will leave this week to take up their residence in Calgary for the winter.

Mr. Dan Kehoe was in Strathmore on Monday attending the Conservative Convention. Mrs. Kehoe, who has been ill in Calgary Hospital for some time, is now recovered and back to the farm.

See if you can't buy it at home first before going elsewhere.

Local stores are advertising gift suitable for Xmas through the columns of the Standard.

Mr. Fred Davis will be leaving shortly for Ottawa, a day for the opening of Parliament on December 10th. He expects that his fellow member Mr. Calgary, Hon. R. B. Bennett, will be in from England in time for the opening of Parliament.

One old-timer who was present at the Conservative Convention on Monday was Mr. Emil Griesbach. Mr. Griesbach, before Carseland started, opened a store and post office there under the name of Griesbach, and subsequently moved to Gleichen.

Bob Thomas left for Vancouver on Tuesday afternoon.

To Mr. and Mrs. Leon Mertens, on November 18, a daughter.

ALBERTA EXHIBITS GO EAST

The livestock and grain exhibits from Alberta to be shown at the Royal and International Shows at Chicago, were sent for ward last week under the direction of the department of agriculture. The department's representative at these exhibitions will be H. A. Craig, Deputy Minister of Agriculture.

BEAUTIFYING A RAILROAD SYSTEM

Strangers, travelling upon the railways in Canada find pleasure in passing through a country that is new and fresh and possessing a wild, primitive grandeur practically unimpaired. But in no small degree this pleasure is heightened and contributed to by a wonderful transformation wrought artificially by the lavish use of trees and flowers which have been planted and cultivated under the supervision of expert horticulturalists employed for the purpose by the railway companies.

The most striking example of what can be effected by this means is to be seen along the Canadian Pacific tracks through the Prairie Provinces, according to an article on the subject in the April "Landscape Architecture" by E. L. Chisland.

"Along the more than three thousand miles of main line," writes Mr. Chisland, "there were naturally a good many men, station agents, section foremen and others who were garden lovers and who, with the limited means at their command and to the best of their ability, cultivated little pieces of ground about the corners of their activities. The planting of a little garden at a station, especially in certain bleak, treeless areas, was a conspicuous feature and added some little beauty to the surroundings. This gave to a higher officer of the company, about thirty-five years ago, the idea of expanding the work of beautifying the grounds by assisting and encouraging

agents and others in work of this kind. This took concrete form in the distribution to station-agents throughout the system of free packets of flower seeds. Inevitably, of course, some men did not bother about them but sufficient did to produce a very marked effect and make noticeably attractive those stations where the seed had been properly used and cared for.

"The impression was so striking that the Operating Department of the company proceeded to have small gardens laid out and planted at some of the principal stations and division points along the system. The result of this again was so impressive that a special study was made of the whole question, and subsequently it was decided to engage in the work thoroughly and systematically and to add an expert horticulturalist to the staff."

"The work since that time (1908) has grown tremendously, each year seeing a number of new gardens laid out about the company's stations until today the Canadian Pacific Railway has the largest number of gardens of any railway company in the world."

"Now along the steel system from coast to coast lies a series of fair gardens and spots of green around and often the cool and refreshing shrubbery about the station constitutes the one cheerful feature of entry into a town otherwise drab and unattractive."

Rockyford

Rockyford will be given a treat on Tuesday, December 1st, when the famous Rainbow Orchestra will play for a dance in the Town Hall. Details will be found in our advertising columns.

The recent bazaar held by the ladies of St. Rita's Church was very successful financially and otherwise, the proceeds being in the neighbourhood of \$800.00.

We regret to report the death of Thursday morning of Mr. Ed. Miller, employed with Mr. Hegi, following an operation for appendicitis. Deceased was a young man, who had come here from the Steveston district, and much regret is expressed among those who knew him at his early demise.

The Imperial Orchestra, from Calgary, gave a concert on Friday, under the auspices of the Ladies' Club. A big crowd was in attendance, including many visitors from other towns.

Miss Pauline Griffiths and Miss A. Wells spent the week-end in Drumheller visiting friends.

Threshing in the Rockyford district is practically completed. Over 100 cars of grain have been shipped out of Rockyford so far this season.

United Church Notes

On Saturday, November 28, Mr. Rogers will be at the Christmas school with slides on "One Hundred Years of Missions". This will be an interesting evening, and we trust to have a full attendance. Collections will be taken to defray expenses, and any surplus will go to Missions.

On Sunday, the 29th, we will show the same slides in the Rockyford church in the evening, and shall be glad to see a full gathering of the members of our congregation.

On Wednesday, December 2nd, we hope to show the same slides at Jarvis in the evening at 8 o'clock.

We are sorry that Mr. Scutcheon's visit with a lantern lecture on Japan had to be postponed owing to the same evening given in honour of Miss Wambold.

TICKET—As we had no Thanksgiving service on the proper Sunday, we hope to celebrate this on Sunday next, November 29th. We shall be glad to see a full attendance of our people.

Dear in mind Rockyford's Annual United Church Bazaar, December 8th. There will be something for everybody, and everybody will be satisfied, especially the ladies, if they can nibble another \$200 out of the Church debt.

M.D. Grasswold Meets

A regular meeting of the M. D. of Grasswold, No. 248, was held on Nov. 7th. The minutes of the previous meeting were approved as read. The following members were present: C. A. Smith, H. C. Barr, C. A. Brown, and D. L. Kelly.

In accordance with section 82 of the council decided on motion that the nomination meeting shall be held at the Town Hall, Rosedale, on the third Saturday in February at one (1) o'clock in the afternoon.

H. W. Leonard was appointed Returning Officer for the M. D. of Grasswold on the coming election. The following were appointed Deputy Returning Officers: District No. 2—D. Horn. District No. 1—A. E. Wagner, Long Beach School.

Sub-district No. 1—Dan McGowan, C. X. School House. District No. 5—G. A. Love, Redhead School House.

A petition was submitted signed by a number of the ratepayers who are residence in the northern part of the district, asking the council to order the council that Long Beach school which the poll has usually been held for district number one was within one mile of south line of said district and in bad weather the ratepayers from the north end of the district were inconvenienced to get to the polls. They therefore requested that the council would either move place of polling somewhere near the centre of the district. After full discussion provided on the council decided on motion that the following resolution be passed:

Whereas the Long Beach school is within a mile of the South end of District No. 1, and whereas the poll has heretofore been held in said school house, and whereas the council has been petitioned to move said polling station near centre of District, Be it therefore resolved that the new polling station be established in the C. S. School House, No. 4925, situated on Section 15-26-21-4, and shall constitute the following lands, namely: all of Section 11 to 26 inclusive in Township 25, Range 21, West of the 6th, and all of Sections 1 to 18 inclusive in Township 26, Range 21, West of the 4th.

A letter was read from the Canadian National Railway submitting a plan of proposed change of crossing on railway right of way at Redhead. After due consideration the council came to the conclusion that the Railway Commissioners at Ottawa would not sanction the present crossing, due to the fact that the crossing east of Station on the regular road allowance is passable. It was therefore on motion decided that the crossing be moved to the regular road allowance in accordance with the plan submitted.

A communication was read from the Hall Insurance Board relative to Hall Insurance Act, pointing out to the council where it would be an advantage to the Municipal Hall Insurance Act if the Act was so amended to permit the Hall Insurance Board to divide the Province into sub-districts.

After full discussion the council on motion instructed the delegates to the Municipal convention to vote in favor of this amendment to the Hall Insurance Act.

It was on motion decided, due to the fact that Lee 92, Parcel "D" had never been sold by the C.P.R., therefore the secretary is hereby instructed to cancel all accrued taxes.

It was moved and carried that W. P. Gross be paid at the rate of \$20.00 per acre to the amount of 4 acres for land used for road purposes taken

Boy Scout Notes

A Lively Faith

"How Scouting Can Help the Church"

By W. Solway, Field Secretary.

There is one thing at least which the Boy Scout movement has in common with the Christian Church, and that is universality. Let me see then what this movement, which in seventeen years, has spread to every country in the world, and now numbers something like two million active members.

What is there in scouting that prompted the Bishop of London recently to say that when he is asked whether the Church is young enough to grapple with the problems of to-day he has only to point to the Boy Scout members of the church for his answer.

Seventeen years ago the Chief Scout (as B. P.) is affectionately known by his large family) after having held a trial camp in the previous summer, laid his offering of Scouting for boys at the feet of the church, and those bodies interested in training the characters of the world's boys.

Originally he had intended it to be used by existing organizations, such as brigades and boys' clubs, but so greatly did it appeal to boys who were not members of any existing organization, that they, the boys themselves, forced on the Chief the necessity for a separate movement to guide his new inspiration.

The aim of the Scout movement is to develop healthy souls, bodies, and minds, the threefold Trinity of man's nature, and thus to turn boys into efficient, happy citizens for here and hereafter.

Through scouting the virtuous household can be brought to higher thoughts, and coupled with a scout's obligation to do at least one good turn a day, show the basis of duty to God and to one's neighbour on which the lad can build a real and living faith. Through Scouting too, the Saints of the Church can be held up as heroes of a great adventure, and adventure for Christ and His Kingdom. The Chief Scout, rescued from the first that the heroes of history are just pipers to the boys.

No man-made institution can produce a fraction of the great heroes that have served the church all over the ages. If the boys are to do their duty to their time it must be shown that these mainly heroes were not sad, lone, lonely, but human men who, falling clutched up again. Men, who, in the words of the chief, lived lives of adventure and high endeavour, of efficiency and skill, of cheerfulness and self sacrifice for others. In such a time there is meat for the boys, there is soul in it.

During its short life scouting has seen many changes, but the fundamentals of the movement are the same today as they always were. Right in the forefront stands the promise which every scout makes on enrolment: "I promise, on my honour, that I will do my best, to do my duty to God and my King, to help others, to be at all times, and to obey the scout law."

The scout promise is definitely one of action as against a mere passive reception of ideas. A scout is not passive in being good, but active in doing good, says the Chief.

Consequently, because of this spirit of Christ, scouting has often been referred to as "Applied Christianity."

The Scout Law, on which the movement hinges, sends us back to the search for the Holy Grail, for it comes to us from the Knights of King Arthur's Round Table, dealing as it does with Honour, Loyalty, Truthfulness, Thrift, and Duty; it forms a Rule of Life, than which there can be none better.

To the churchman the scout's promise of "Loyalty to God", naturally implies regular worship, and an active participation in the benefits of action (not non-religious) matters little to any particular church, so long as in the hands of that particular body it can produce the results desired, and this it undoubtedly does in many a church at home and over seas.

Even although the movement is non-

Golf News

Some close games resulted in the second round for the Club Handicap Cup. The third or semifinal round will be played on Sunday, November 29 will be as follows:
Jes. Van Tighe 12 vs. Walter Gray 20
George Adams 18 vs. Wm. Gray 18.

If players can complete this in the morning the winners can play in the afternoon, and thus finish the competition.

Namaka Notes

Miss Violet Watts, of Calgary, visited her parents over Sunday.

Mr. Mark Anglin left Friday for Claresholm, where he will attend the agricultural school during the winter.

The dance held in Namaka last Friday was well attended. Everyone enjoyed the music, which consisted of a 4-piece orchestra. Mr. Macdonald, of Calgary, provided the piano. Mr. Cully, our popular violinist, Mr. Grievess, of Calgary, the saxophone, and Mr. E. Macle, the drummer. Everyone went home feeling much the better for the outing.

Under the auspices of the Ladies Aid a supper will be served in the L.O.O.F. Hall on the evening of Friday, December 11, from 6 to 8 o'clock. A good programme will follow. Adults 75c, Juveniles 25c.

Mr. P. Wheeler is attending the U.G.G. convention, which is being held at Winnipeg.

Mrs. McIntosh visited with friends in Calgary the beginning of the week.

A carload of hore was shipped during the week to Calgary through the U.G.G.

sectarian its religious policy gives ample protection against its misuse, being in any way pressed to attend service other than their own. It is open to any church to organize and control their own troops, nominate their own officers, and indeed, admit only their own members if so desired.

Apart from the actual Boy Scout (Land and Sea Scout) ages eleven to eighteen, the movement caters for the little fellow of eight to twelve, who can become a Wolf Cub for the young man "roving" into manhood, ages seventeen to twenty-one, there are Rover Scouts who take their motto "SERVICE."

In using the scout movement as a character training instrument, the church runs no risk of being charged with promoting militarism. Scouting is not only non-military, just as it is non-political, and non-class, but through international gatherings and exchange visits it is actively engaged in speeding towards universal peace, and for such action has received the hearty commendation of the League of Nations.

The cry of the Scout movement is for men, and yet more men, to lead the boys who are for ever throwing it portable. What an opportunity for the Laity of the Christian Church to step in and through scouting give back to the boys their rightful and inseparable heritage a Healthy Clean Canada, and a Lively Christian Faith.

Where are the men to lead today?

Sparing an hour or two Teaching the lads the game to play
Just as a man would do.
Village and slum are calling "Come",
Here are the boys, indeed;
Who can tell what they might become,
If only the men will lead.

FIRST STRATHMORE TROOP BOY SCOUTS

At Monday's meeting Tom Chamberlain was made Patrol Leader of the Wolf patrol, and Wm. Corlett leader of the Eagle patrol.

All the scouts enrolled have passed their Tenderfoot tests, and can get uniforms, when all intend doing as soon as possible.

Residents who have any discarded toys should phone Scoutmaster Dunn, who will send a scout to collect them for the Herald Sunshine Fund.

Don't forget the scouts will do odd jobs in order to earn money for their uniforms, and a scout will be sent if you phone 98.

The Troop agreed to be "adopted" by the Town of Calgary Troop, and it is hoped that much good will result from this in the way of exchanged ideas. The Calgary Troop says that the local troop a good supply of bush cut staves, which are much appreciated by the boys.

"MEN'S BETTER WEAR"

Government Asks Tax of \$15000 on This Dog

What is believed to be the largest tax ever assessed on an imported animal was recently asked of the owners of this wonderful police dog. He is Manchu Duke, a splendid turrey canine from China—the offspring of prize-winning, pedigreed German police dogs.

He was brought to this country aboard the Japanese liner, S. S. Taiso Maru which docked at San Francisco.

When government inspectors learned that the dog owners had insured him for the huge sum of \$100,000—they asked for a tax of \$15,000. Who the owners are and whether or not the tax was paid, is not reported.

The lady in the picture is Mrs. M. B. Bowen, a passenger on the liner with whom the beautiful canine readily "made friends."

The Big Question At This Season --- WHAT SHALL I GIVE?

The answer is easy—just drop into our store, where new and attractive goods suitable for gifts are arriving daily.

Gifts for Old Country mailing should be sent off as soon as possible.

Here are a few suggestions:

LOCAL JOTTINGS

The King Edward Hotel has just installed an up-to-date air pressure water system, a 1000-gallon capacity tank being located in the basement. This will take the place of the water tower, and will be a big improvement in the system, besides affording additional protection in case of fire. Over \$2500 has been spent on improvements at the King Edward Hotel.

The C.P.R. Demonstration Farm is now offering 55c per dozen cash for fresh eggs, not subject to grade. Hens, do your duty!

The sheep business is expanding considerably in this district. Mr. Harold Sorenson brought in 1000 heads last week, and Messrs George Bates and W. G. Knivett are meeting with good success with their flocks.

Local elevators are now working to capacity. While a large proportion of the crop has not yet left the farm, more has been shipped from the port already than was shipped altogether in 1924.

Your home town merchant has assumed the obligation of carrying many through the delayed harvest. His interests are yours, and he deserves the support of the community.

Langdon Notes

Mr. and Mrs. J. Brander and three children left on Saturday for Fort William, where they will visit Mrs. Brander's sister for several days before sailing on November 27th for Glasgow, Scotland, on the S.S. Belfast. They intend to remain three months. Mrs. Sarah Moore, who has made her home for over three years with her daughter, Mrs. G. Henderson, is returning to England on the same ship.

The ladies of Langdon gave a farewell tea for Mrs. Moore and Mrs. Brander at the home of Mrs. Moe on Thursday, November 19th. Mrs. Moore was presented with appropriate Canadian gifts from her Langdon friends, while Mrs. Brander received an ivory brush and comb set from the Sunday School, where she played the organ and taught the primary class.

Sixteen of Mrs. Moore's Calgary friends surprised her Thursday evening. A handsome silk scarf was left by them as a reminder of their visit.

Mr. Thos. Copeland went to Winnipeg on Tuesday, November 17th.

Mr. D. Korneghan and son, Oswald, were just leaving town one evening last week when Mr. White's runaway team ran into the Ford touring car, upsetting it and throwing the driver out. The car is almost a wreck, while fortunately, the men were uninjured, except for a few bruises.

Mr. A. Hecke left Tuesday morning for a motor trip to the north country. Mrs. J. Brander noted her annual musical rental in the L.O.O.F. Hall on Saturday afternoon. A pleasing feature was the presentation of diplomas to those who passed the Euzonia Conservatory of Music examinations in June—Muriel Henderson, Kenneth Gray, Katherine Moe, Victoria Barron, Patricia Barron, Donald Brown, and Sandy Brander were the proud recipients of these, very graciously presented by Mrs. K. Stevens.

The following children took part in the recital, each doing his or her part with much credit to the teacher who is deserving of every praise for the way the children are learning to play. Duets, solo, and a trio were all enjoyed in the hall by the large crowd assembled—the following took part: Ada Dye, Katherine Moe, Victoria Alcock, Winnie Dye, Dick Butte, Patricia Barron, Victoria Barron, Kathleen Lee, Margaret Henderson, Peggy Chalmers, Jean Chalmers, Bruce Sander, Mabel Chalmers, Margaret Taylor, Adelle Taylor, Audrey McNeck, Kenneth Gray, Laurie McIntosh, Muriel Henderson, Frances Fulton, Mavis Anderson, Inez Anderson, Roy W. Welschler, Jack Fulton, Donald Brown, Sandy Brander, John Brander, Margaret Brander.

As a slight token of their love and appreciation, the pupils presented Mrs. Brander with a beautiful purse fitted with some necessities that she might find useful on her trip to Scotland.

Refreshments were served after a happy, profitable afternoon which will be eagerly looked forward to another year.

Wise Shoppers

Christmas Printing

You merchants eager for your share of the big Christmas business should begin "hammering" away early to get the people into your stores. Competition this year is keener than ever and it's the fellow who tells what he has to sell—who does it consistently and continuously—who is going to show the nice, big profit at the end of the year!

Plenty of Christmas Cuts—Santa Clauses, Holly, etc.—here for your advertising. Tell us what you want and we'll help prepare it!

Slats' Diary

Friday—well Uncle Ben was in
here to see us today he is looking for
a new hand to work out on the farm.

Saturday—Pa was telling us about
a man who died today. He was told
him not to worry about the world but
to live in it of these days, he said well
I suppose you will but you don't need
to be in much of a hurry if it's all
the same to you.

Sunday—Well we got a funny new
kid in school his father runs the new
store and I guess he has got some
money and a new car and so on. Well
this kid never new till today that you
cut were a hole in your pants and he
thinks it was a snake to wear it. He
said he was a snake and he is going to
ask his ma to let him wear a hole in
his pants.

Monday—We have figured out that
most of the single men here in town
must be wealthy. Because every time
a single man passes by Mr. Gilman
why Mr. Gilman says to pa. That
young fellow don't no how well off he
is.

Tuesday—We seen a sign on the
back of a tree today and it said. If
you want to start sun thing try Crank-
ing this machine. And we all laughed
heartily because we got it like that.

Wednesday—well we had a good time
for the night this evening, but I don't
1 thing. They is a old adverb saying
that makes the world go round. But
I found out that it was not. It is the
nose because that's what I got when
I was trying for a 50 yd. and run. But
only got 5.

Thursday—Pa was telling about his
sister man down town today which
she telephoned him today that his
little boy had swam a quarter and
for him to get a doctor but when he
got home he said the doctor wanted a
\$ and a 1/2 and that was to much
money to spend for to get only just
a quarter.

Friday—well we had a good time
for the night this evening, but I don't
1 thing. They is a old adverb saying
that makes the world go round. But
I found out that it was not. It is the
nose because that's what I got when
I was trying for a 50 yd. and run. But
only got 5.

Saturday—well we had a good time
for the night this evening, but I don't
1 thing. They is a old adverb saying
that makes the world go round. But
I found out that it was not. It is the
nose because that's what I got when
I was trying for a 50 yd. and run. But
only got 5.

Sunday—well we had a good time
for the night this evening, but I don't
1 thing. They is a old adverb saying
that makes the world go round. But
I found out that it was not. It is the
nose because that's what I got when
I was trying for a 50 yd. and run. But
only got 5.

Monday—well we had a good time
for the night this evening, but I don't
1 thing. They is a old adverb saying
that makes the world go round. But
I found out that it was not. It is the
nose because that's what I got when
I was trying for a 50 yd. and run. But
only got 5.
